Subject: Barrton Restoration Project - North Carport Work 071524
Date: Friday, July 12, 2024 10:53:03 AM
Importance: High

To All Owners,

Beginning **Monday, July 15th**, work in covered spaces **N10-N17** of the **North Carport** will begin.

In addition, work will continue on the **North Carport** in covered spaces **N18-N25**.

Any cars currently in these spaces will be moved to a temporary (covered) location. If you have a car there now, or plan to come into residence in the coming weeks, please contact me as soon as possible to make arrangements. As the work progresses and is completed, we will let you know when cars can/will be moved back, and when any other cars will need to be moved.

IMPORTANT:

1. For your safety and the safety of the workers, there will be no access permitted along the walkway, under that carport, or in and around these areas. ***Please do not enter or cross through any of the work areas.***
2. With both the Restoration and Pipelining Projects now underway, there is extensive activity throughout the entire property from both vehicles and people. ***Please be aware of your surroundings, slow down, be patient, and use extreme caution when driving and/or walking through ALL areas of the parking lot.***

If you have any questions, please let me know.

Thank you,

**This notification has been emailed blind copy to all owners, posted on site at The Barrton, and uploaded to The Barrton website.*
