

To All Owners,

Work on the North Carport will now be extending into the actual **North Entrance** area. This is therefore a reminder that there is **NO access**, in or out, through any of the 3 doors, both **during & after working hours and including nights & weekends**.

For your safety, do not attempt to enter or exit through any of these doors, or cross through the work area, for any reason. This includes the North Gate and surrounding area as there are swing stages above.

If you have any questions, please let me know.

Thank you,
